

# FEA National Conference - San Diego, CA

We had a great representation at the FEA National Conference in San Diego, CA. We had 45 students and advisors represent us. Many entered the National Event Competition. We had several students I would like to recognize:

**Briana Arnold** was selected to speak to the entire delegation as a luncheon speaker to share her FEA Moment

**Holly Hall** placed 1st in the Essay contest

**Becky Pringle** placed 3rd in the Impromptu Speaking contest

All three students were from Sunnyslope High School. Thanks to **Terri Fields - Sunnyslope Advisor** and to all our schools who attended and participated:

Centennial High School, Cortez High School, Greenway High School, Queen Creek High School, and Kingman High School for putting Arizona on the map for quality FEA programs.

## Erin Gruwell

Key note speaker at the FEA National Conference

Erin is the author of the book "Freedom Writers" and the movie "Freedom Writers" is based on her life story.

**Students from Kingman High School with Michele Russo**

**National finalists, Briana Arnold, Holly Hall, and Becky Pringle from Sunnyslope High School with Gerry Corcoran, FEA State Liaison**

**Stephanie Hahn, Advisor from Queen Creek "monkeying around"**
